DEVELOPING PROJECT

- **TETAPOLIS – Science & Technology Park (8.6 ha)** in partnership with IASP (International Association of Science Parks and Areas of Innovation).
- A community within itself which offers much more than R&D facilities and science labs
- A Triple Helix Model Science Park - a partnership between **TETAROM SA** (public sector/private), **Cluj-Napoca Local Council** (public authority) and **Technical University of Cluj-Napoca** (academia)
- Determined to increase regional competitiveness through **research, innovation, technological transfer and special trainings**

Transylvania Evolution is a private initiative dedicated to economic and social growth by developing solid business partnerships, offering tailored solutions to local and foreign investors, in synergy with local authorities. We are accelerating the long-term coherent consolidation and development of the Cluj Metropolitan Area and the Transylvania region.

Cluj-Napoca - Klausenburg - Kolozsvár - “The Heart of Transylvania Region”, is a dynamic and cosmopolitan city, an important business destination in Southeast Europe, with a remarkable potential for investment, but also a major center of education and culture.
