Transylvania Evolution is a private initiative dedicated to economic and social growth by developing solid business partnerships, offering tailored solutions to local and foreign investors, in synergy with local authorities. We are accelerating the long-term coherent consolidation and development of the Cluj Metropolitan Area and the Transylvania region.

Oradea - Großwardein - Nagyvárad - In the North-West of Romania, part of the Bihor county, Oradea is one of the cities with an impressive development on multiple fronts in recent years. Since 2008, Oradea has been considered a center of urban development, with regional and cross-border influence, a rising innovation hub, a major logistic and industrial center and not in the least, a city with representative art nouveau cultural heritage.
